

Missionaries of the Month: This month we are lifting in prayer Raleigh & Opal and their 4 young children who returned to North Africa in mid December. God gave Opal a vision of a rushing stream of water flowing under the dusty street in front of their home: The water, so close, but people totally unaware and thirsty. North Africa was once a center of Christian faith. May the life begin to flow again. God has not abandoned these Berber people. Pray for health and good rhythms for each member of the family, ... that they would thrive in their new location.

A Look at VMSSIONS Lift up students at Lezha Academic Center in Albania as they take midterm exams on Wednesday and Thursday. Pray for a good end to the first semester, which ends on Thursday, and pray for a good start to the next semester.

*Called into God's Family, we join together
to be transformed through worship,
to nurture one another,
