

## Missionaries of the Month: In Istog, Kosovo - Vince and LaVonne

**Ramella, Sid (in Ohio), Brady and Justin** We are preparing to transfer the ownership of the coffee shop to our local partner here beginning December 1. This is a hard but necessary transition. We are not able to continue at the pace we've been pouring into the shop. The new owners are not believers. We grieve that the Holy Spirit is not invited into the business to soften and work among the people here. Continue to be in prayer for the new owners, the staff and the customers as we desire for recognition and longing in their hearts for Him. Pray for the transition and changes ahead, that it may go smoothly, that communication and expectations be understood, and that God will get glory in the process.

**A Look at VMSSIONS:** The church planted by Juan José Lagos in Winston-Salem, NC, is in need of a bigger meeting space that has a more appropriate layout for their worship and fellowship time, and that can accommodate children. Ask God to provide an affordable and well-located space that meets their needs.
