

Missionaries of the Month focus: Albanian workers - Rafael and Solange Tartari, Paolo and Sofia - Pray for Paolo who has been diagnosed with dyslexia-dysortography, a neurobiological deficit that creates a difficulty in the child's learning specifically in reading and writing (in his case). Pray that they can find good resources for this need. The Tartari's are helping with a new church plant in nearby Milot. Pray for adequate funding for this term.

A Look at VMissions: Mike and Risha Metzler are planting a church, Mosaic of Grace, in Harrisonburg, Va. Pray that the Holy Spirit will give Mosaic of Grace clarity about how they are called to participate in God's mission in their community.
