

**Missionaries of the Month focus: Steve & Laura Campbell, Ruth and Esther in Podgorica, Montenegro:** Pray for the government of Montenegro as a new government was sworn in early December after 32 years of the same group being in power. Pray that they guide the country with integrity, and are transparent in their actions. The change occurred mostly because the old government was trying to move the Orthodox church land to be government land. There has been much corruption in the system for many years and with the attempt to take the land and maybe sell it for tourism brought enough frustration that the people voted to change the leadership.

**A Look at VMissions:** Lift up David and Rebekka Stutzman, workers in Mannheim, Germany, as they seek creativity and patience while continuing to grapple with the impact of the virus on their ministry.
