

**Missionaries of the Month focus: Grace and Yugo Prasetyo (sons Jeremi and Simeon) in Indonesia, where they serve in a slum area:** A small section of the slum was told a week ago that they had built on private land and that they have two weeks to leave. Mama Sri, who teaches with us, rented a small shack on this particular land for the past year. To avoid potential conflict, they found a new rental shack and moved a few days ago. Some families who have built their own houses on the land are waiting it out to see what will actually happen. Pray for the 15 families impacted. This is a very real reminder that we live in a slum.

**A Look at VMissions:** In the city in Western Asia where J. and M. W. serve, they have had the opportunity to walk and pray for their unreached extended neighborhood of one million people. Join them in praying that there will be many house groups that spring forth.

Registration for the event includes a T-Shirt, and the opportunity to compete, or just participate for fun. Registration is \$30 per person. All participants are encouraged to increase the value of your 5K by inviting others to sponsor your miles.
