

Focus for the Month: J. & M. W in Central Asia -- M.W's role as the elementary ESL leader has increased as other teachers and leaders are asking her for lots of advice for next year's plans. She is setting up clearer systems for testing the ESL students and is training other teachers to replace her. We are thankful that the preschool was able to secure loans to make it through this year and there is good interest in enrollment for next year. In all the schools we are involved with, there is a big need for native-English speaking teachers. Please pray with us for preschool teachers, a conversational English teacher, and a few High School teachers. Thank you for your continued prayers for us and for Central Asia! May many people find Hope in Jesus in the midst of current life uncertainties!

Jesus loves us so much, we can trust Him with the rest of our lives. Jesus' love is the foundation for the rest of my life.

We have delivered (65) packets to children the past four weeks leading up to VBS. These included the story/lesson, an activity/craft and a snack. There will be a picnic meal starting at 6:15 and everyone from the Weavers and Mt. Clinton church community who has helped with VBS is invited to join.
