

**Focus for the Month:** This month we are focusing on workers in Albania. Rafael and Solange, Paulo and Sofia are in Tartari, Albanian. Rafael and Solange work in partnership with Albanian leaders to model family life in Christ and to multiply disciples, leaders, and faith communities. They serve in partnership with the Junta Menonita de Missões Internacionais (Brazil) and are Associated Workers of VMMissions.

**A Look at VMMissions:** The Schoenhals family is in the US to fix an ongoing visa problem. Pray that everything goes smoothly and that they can return to Thailand in a timely fashion, with long-term visas.

### A congregational meeting, which we had put on hold at the beginning of

**the Covid pandemic in 2020, was held Sunday, Oct. 31** to discuss together the proposed addition to our facility. A cardboard model of the proposed design is located in the foyer to give a visual. There will be a vote received on Nov. 14, 2021 affirming next steps to this project. Please, if you have questions, ask! And continue to be in prayer for this process, that God would lead us as we prepare to update facilities for generations ahead to serve even as we do now.

**The congregation is being called to prayer,** as Administrative Council will be looking now to a recommendation by Pastoral Council to move ahead in our processing of and searching for person(s) who can more formally take on the roles ministering alongside our pastor leadership team.

**Eastern Mennonite School is looking for one or two families to host two of our international students from South Korea.** Both students are female, one is a senior and one is a freshman in high school. They are currently both in a home together. The family they are staying with is expecting their first baby in January. We want this couple to be able to focus on being parents of a newborn (and it's an EMS policy not to place high school students in a home with very young children). This need will be from January until school ends in early June. Host families get a monthly stipend. Being a host family is a great way to experience cultural exchange and welcome an international student into your home. It is also a great opportunity to develop lifelong friendships and connections, as well as representing your community internationally. Some of the host family responsibilities are to provide a bed/bedroom, meals and transportation to and from school and extracurricular activities as needed. If you are interested in hosting a student for a semester, you can contact our International Student Officer, Eliz Ozcan, at [ozcane@emhs.net](mailto:ozcane@emhs.net).
