

Focus for the Month: This month we are focusing on Shawn & Laura Green, Lucas, Emmanuel, Matteo, and Isabella -- serving in Termoli, Italy. "We have been in full rhythm these last few months and have been blessed to have seen God working in our church setting, in opportunities for outreach, and in our personal family lives. The online ministry that Shawn assists with is continuing to move forward and we continue to offer encouragement, teaching and online Christian programming throughout Italy. Laura continues to grow relationships with mothers from school and contacts she has throughout the neighborhood."

A Look at VMissions: As college students prepare for Christmas break, pray for them this week as they complete their final exams and projects. Also pray for those serving in college ministry to be refreshed during this break time.

Weavers will NOT host the Harmonia Sacra Singing on New Year's Day evening this year again. This event has typically had maxed out attendance which would hinder safe distancing, added to over an hour of full congregational singing being a potential Covid spreader and creating additional strain on the local healthcare system. It was deemed we should err on the side of caution for this multi-church community event.
