

Focus for the Month: This month we are focusing on Shawn & Laura Green, Lucas, Emmanuel, Matteo, and Isabella -- serving in Termoli, Italy. " We have been in full rhythm these last few months and have been blessed to have seen God working in our church setting, in opportunities for outreach, and in our personal family lives. Shawn has recently begun meeting with an Afghan gentleman. He along with his family of 3 young boys have been relocated to our area. Pray that God will continue to give us opportunities to provide a listening ear to what they have experienced and are dealing with as well as providing truth and hope of Christ to them."

A Look at VMissions: Lift up refugees moving to many places from Afghanistan. A number of workers in different regions are getting to know and help them in their new settings. Pray that they will find their refuge and hope in Jesus Christ.

Weavers will NOT host the Harmonia Sacra Singing on New Year's Day evening this year again. This event has typically had maxed out attendance which would hinder safe distancing, added to over an hour of full congregational singing being a potential Covid spreader and creating additional strain on the local healthcare system. It was deemed we should err on the side of caution for this multi-church community event.

The December edition of *On the Level* is now available from Mennonite Disaster Service. In the current issue: MDS responds to the deadly tornadoes in the Midwest and parts of the South, MDS Canada needs volunteers to help survivors recover from extensive flooding in British Columbia, and you can learn more about the Annual Celebration in Sarasota, Florida in January.
