

**Focus for the Month:** This month we are focusing on David and Rebekka Stutzman, Immanuel, Liana, and Nathaniel, in Mannheim, Germany.

They are church planters in the multicultural urban center of Mannheim and lead a missional community network throughout Germany. David is giving leadership to the Ineo Network, a resourcing ministry for the Mennonite Church in Germany. In February Ineo organized a month of prayer for renewal, which included a daily devotional (attached), online webinars, articles, and included participation with around 100 people. In March, the Ineo team will be discerning next steps. Please pray for the continued encouragement that was nurtured through coming together in prayer, for key people who have become motivated and inspired to working for renewal, and for creative initiatives to emerge to address the despair and decline felt in the church context.

**A Look at VMissions:** Join Juan José Lagos, church planter with Iglesia Renuevo in Winston-Salem, NC, in praying for their move to a new church space this month, for the opening of their live meetings and discernment to purchase items for the nursery and classrooms.

**Today we will receive a special offering for Mennonite Central Committee to assist needs in Ukraine.** "Ukraine is experiencing major upheaval, but our partners have supplies ready to help vulnerable and displaced people," said Rebecca Hessenauer, MCC representative for Ukraine. The organization will work with local partners to expand existing programs supporting vulnerable people and extend those services to people fleeing the violence since Russian military forces began an invasion of Ukraine by land, sea and air. The long-term response will likely include psychosocial support and trauma healing, temporary emergency housing, emergency distributions of locally purchased emergency supplies such as blankets, and distribution of food packages. The Mennonite Central Committee has a long history of humanitarian aid in Ukraine.

**Hesston College Bel Canto Singers are performing today at 4 p.m.** at Park View Mennonite Church. The 18-voice mixed chamber choir, under the direction of Dr. Russell Adrian, will present a program entitled "Deep Peace."
