

Missionaries of the Month: There are three Hispanic churches being planted through partnership with VMC and VMissions who desperately need your financial and prayer support. The Spirit is moving and bringing transformation to lives and families right in our community.

[Alfonso Alvarado](#) is on track to receiving his residency but is required to work full-time for a year.

[Armando and Veronica Sanchez](#) began Esperanza de Vida on N. Route 11 and are now planting a church in partnership with Waynesboro Mennonite Church. Join this brother and sister as they minister to men in prison, broken families, and so much more.

[Juan José Lagos](#) is church planting in North Carolina and serving with his wife as they reflect Christ in the community God has called them to. Please prayerfully consider partnering with these brothers and sister in the work God has invited them into.

A Look at VMissions As David Stutzman celebrates his birthday today in Mannheim, Germany, pray that the spiritual seekers he connects with will find their identities as followers of Jesus.
