

Missionaries of the Month: Raleigh and Opal serve among an indigenous people group and are making connections for future ministry through business for transformation. They serve in partnership with Rosedale International. Pray for several seekers who have recently asked to study the Bible. Ask that the eyes of their heart would be opened.

A Look at VMissions: Pray for Jesus to be known among Bengali Muslims in South Asia. Bengalis are the largest gospel-unreached people group in the world with a population of about 220 million and are less than 1% Christian.
